[1]All Career Studies Certificates start with 221 which correlates to CIP Code 51.1599 for Mental and Social Health Services and Allied Professions, Other.

[2]Cip Code was provided by MECC's Financial Aid Office.

[3]Virginia Community College System uses the parent plan code (middle three digits within program code) to identify CIP Code.

[4] Number of students completing program between July 1, 2010-June 30, 2011 and excluding dual-enrollment high school students' attendance until high school graduation completed.

[5] Total tuition and fees are based on the 2012-13 academic year and are subject to change.

[6] Total books and supplies are based on the 2012-13 academic year and are subject to change.

[7] All students who completed between July 1, 2010 and June 30, 2011 are included in this calculation. This job placement rate looks only at jobs that were in the field of study. This rate is based on program completers who were employed within 180 days of completion. Virginia Employment Commission (VEC) data and the 2010-11 MECC Graduate Follow-up Survey results were used to identify employed students. VEC data does not include federal employment, military employment or employers from other states.
