OPEN ENROLLMENT

April 16th through May 16th, 2008

You may have already received the publication "Spotlight on your Benefits" that highlights Open Enrollment. If not, go to: www.dhrm.state.va.us/hbenefits/ohbcommunications/spotlight/Spring08.pdf

Open Enrollment is the chance for all eligible employees to enroll in or change your health plan, add or remove family members or enroll in a flexible reimbursement account (FRA). If you take no action, your health plan and membership will remain the same, but current FRAs will end on June 30. Remember that you must enroll in an FRA each year.

Coming July 1: An Employee Premium Increase Credit to offset increased premium costs, increased annual max dental benefit and orthodontic lifetime max benefit for COVA Care and COVA HDHP, a dental deductible for COVA Care members, free preventive services for Kaiser members and a special incentive for expectant mothers in COVA Care to enroll in the Future Moms program.
