Sometimes it is difficult to approach someone you do not know and request assistance or ask questions. You can fill out this form at any time and give it to your College Success Skills instructor; leave it in the Student Services Suite if I am not in my office; or send the completed form to me by email.

How Would You Best Prefer I Get In Contact With You (Telephone, email, etc)?	

Briefly tell me about what you want to meet with me about. You do not have to disclose personal information; you could just list one of the bulleted items listed on the webpage. For example (Health Issues) would be sufficient. If you want to go into more detail, that is fine also.
