

## Registering Advisees in MTH Classes

**Step 1.** Determine prerequisites for MTH course required in student's program.

COURSE	PREREQUISITE(S)
MTH 105-106 Survey of Technical Math I-II MTH 141 Business Math I	<b>Satisfactory Placement Score and:</b> MTH 02 Arithmetic
MTH 126 Math for Allied Health	MTH 02 Arithmetic MTH 03 Algebra I
MTH 151 Math for Liberal Arts I MTH 152 Math for Liberal Arts II MTH 157 Elementary Statistics MTH 163 Precalculus I	MTH 02 Arithmetic MTH 03 Algebra I MTH 04 Algebra II MTH 06 Geometry (High School Geom. if C or better)
MTH 164 Precalculus II	MTH 163 Precalculus I
MTH 273 Calculus I	MTH 164 Precalculus II or equivalent
MTH 274 Calculus II	MTH 273 Calculus I

**Step 2.** Use placement scores and high school transcripts to determine if prerequisites have been met. Refer to COMPASS Tables 1, 2, and 3 or ASSET Tables 1 and 2.

**Step 3.** Register the student for the course required in the program if ALL prerequisites have been met. Otherwise, register the student in the course at the appropriate point in the developmental sequence (as recommended).

### DEVELOPMENTAL MATH SEQUENCE
